Power Car Fragrancer™

Patented design is powered by the 12-volt charging outlet and includes hi-low-off switch to control fragrance volume.

Features black base and tip - with silver, blue glitter and red barrel - to complement the most sophisticated auto interiors, with eye-catching packaging to match.

Three available fragrances:

- Energy 2.0™: to energize you with ginger and nutmeg
- Rejuvenation Station™: to refresh you with lavender and lemongrass
- Alertness A-Go-Go™: to keep you going with spearmint and peppermint

Diffuser lasts for years to keep it "green." Comes with four aromatherapy fragrance sachets for weeks of enjoyment.

Available to purchase at wholesale.aeronlifetech.com

*Features active
 aroma diffusion*

The 4 aromatherapy sachets sold with the fragrancener are foil-barrier sealed for freshness until ready to use them. This unit also features an "Off" setting for when aromatherapy is not desired, making it forever reusable.

*Reusable fragrance
 that keeps you going!*

Fragrances

Easy to use!

Remove black plastic tip from Power Car Fragrancer.

Carefully open aromatherapy sachet packet to remove loaded sachet. Hold packet by edge and slide sachet into unit's tray. Discard packet.

Slide tip back onto Power Car Fragrancer, then insert Fragrancer into 12-volt power outlet located in an open area of vehicle.

Once vehicle is on, set switch on Fragrancer to "Low" (amber light) or "High" (green light) position. For maximum fragrance life, turn to "O" (off) after each use.

Available in 3 Fragrances!
